The margin is heavily influenced by the scoring system in that specific sport. Amazingly, around 15% of all NFL games have been decided by three points since 1996.

Think about some of the more common sounding scores for NFL games 17-14, 24-21, 24-17, 31-24, 31-21.

In this case, the bookmakers think the game will be fairly close, with the Patriots the favorite.

Do you think the total points will more or less than this number? Simple.

When betting the under, look for totals lines that are just over a key number.

The value of the scores available in basketball are 2 and 3 (and 1 for free thro) Tj T* BT /F1

Unlike 3 and 7 in NFL, key numbers in basketball don't come up as often.
